PROXY STATEMENT
Dated April 20, 1998

SPECIAL MEETING OF SHAREHOLDERS
TO BE HELD ON MAY 13, 1998

GENERAL

This Proxy Statement is being furnished to the shareholders of JNS Marketing, Inc., a Colorado corporation (the "Company"), in connection with the solicitation of proxies by the Board of Directors of the Company (the "Board of Directors") from holders (the "Shareholders") of outstanding shares of common stock, no par value, of the Company (the "Common Stock"), for use at the Special Meeting of the Shareholders to be held at 3:00 P.M. on May 13, 1998, at the offices of Schlueter & Associates, P.C., 1050 Seventeenth Street, Suite 1700, Denver, Colorado 80265, and any adjournments or postponements thereof (the "Special Meeting"). This Proxy Statement, Notice of Special Meeting of Shareholders and the accompanying Proxy Card are first being mailed to shareholders on or about April 24, 1998.

VOTING SECURITIES AND VOTE REQUIRED

Only Shareholders of record at the close of business on April 20, 1998, (the "Record Date") are entitled to notice of and to vote the shares of Common Stock, no par value, of the Company held by them on such date at the Meeting or any and all adjournments thereof. As of the Record Date, 25,182,245 shares of

Common Stock were outstanding. There was no other class of voting securities outstanding at that date.

Each share of Common Stock held by a Shareholder entitles such Shareholder to one vote on each matter that is voted upon at the Meeting or any adjournments thereof.

The presence, in person or by proxy, of the holders of a majority of the outstanding shares of Common Stock is necessary to constitute a quorum at the Meeting. Assuming that a quorum is present, (i) the affirmative vote of the holders of a majority of the shares of Common Stock outstanding will be required to authorize the Board of Directors to effect the Reverse Stock Split and to amend (the "Amendment") the Company's Articles of Incorporation, as amended, with respect thereto.

Abstentions and broker "non-votes" will be counted toward determining the presence of a quorum for the transaction of business; however, abstentions will have the effect of a negative vote on the proposals being submitted. Abstentions may be specified on all proposals. A broker "non-vote" will have no effect on the outcome of any of the proposals.

If the accompanying proxy is properly signed and returned to the Company and not revoked, it will be voted in accordance with the instructions contained therein. Unless contrary instructions are given, the persons designated as proxy holders in the accompanying Proxy will vote "FOR" the Reverse Stock Split and the amendment to the Company's Articles of Incorporation to effect the Reverse Stock Split and as recommended by the Board of Directors with regard to any other matters or if no such recommendation is given, in their own discretion. The Company's officers and directors have advised the Company that they intend

1

to vote their shares (including those shares over which they hold voting power), representing approximately 68.3% of the outstanding shares of Common Stock, in favor of the above proposal. Each Proxy granted by a Shareholder may be revoked by such Shareholder at any time thereafter by writing to the Secretary of the Company prior to the Meeting, or by execution and delivery of a subsequent Proxy or by attendance and voting in person at the Meeting, except as to any matter or matters upon which, prior to such revocation, a vote shall have been cast pursuant to the authority conferred by such Proxy.

The cost of soliciting these Proxies, consisting of the printing, handling and mailing of the Proxy and related material, and the actual expense incurred by brokerage houses, custodians, nominees and fiduciaries in forwarding proxy materials to the beneficial owners of the shares of Common Stock, will be paid by the Company.

In order to assure that there is a quorum, it may be necessary for certain officers, directors and other representatives of the Company to solicit Proxies by telephone or telegraph or in person. These persons will receive no extra compensation for their services.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL

OWNERS AND MANAGEMENT

The following table sets forth information as of the Record Date concerning: (i) each person who is known by the Company to own beneficially more than 5% of the Company's outstanding Common Stock; (ii) each of the Company's executive officers and directors; and (iii) all executive officers and directors as a group. Common Stock not outstanding but deemed beneficially owned by virtue of the right of an individual to acquire shares within 60 days is treated as outstanding only when determining the amount and percentage of Common Stock owned by such individual. Except as noted, each person or entity has sole voting and sole investment power with respect to the shares shown.

Change in Control of Registrant

In July 1997, the Plan and Agreement of Reorganization (the "Plan") entered into by the Company and Cedar Pacific Golf Properties on May 12, 1994 was rescinded due to the failure to fulfill certain of the conditions to which the Plan was subject. The 22,938,593 shares of Common Stock, which previously constituted control of the Company, issued to Howard and Lucy Arnaiz, Steven and Diane Malcoun, H.D. Arnaiz, Ltd., Omega Resources, a Limited Partnership, Blazing Sunsets, a Limited Partnership and Matt Lucas pursuant to the Plan were returned to the Company and restored to the status of authorized but unissued shares.

On July 2, 1997, the Company entered into a Stock Purchase Agreement (the "Agreement") with David J. Gregarek, Frederick R. Huttner, the Frederick R. Huttner SEP, Henry F. Schlueter and Jerrold D. Burden (the "Purchasers") pursuant to which the Company issued and sold, and the Purchasers purchased an aggregate of 22,938,593 shares of Common Stock of the Company, which constitutes approximately 91% of the outstanding shares of Common Stock. The Purchasers paid an aggregate of \$70,000 for the Common Stock, which amounts were derived from the Purchasers' personal funds.

The rescinding of the Plan and return of the shares previously issued pursuant to the Plan, and the issuance of the 22,938,593 shares pursuant to the Agreement, together, resulted in a change in control of the Company.

Pursuant to the Agreement, the previous directors of the Company resigned from their positions and Messrs. Gregarek, Delaney and Schlueter were elected to the Board of Directors.

PROPOSAL 1 -----

PROPOSED REVERSE STOCK SPLIT -----

The Board of Directors has authorized, subject to Shareholder approval, a 1-for-100 Reverse Stock Split of the Company's outstanding Common Stock. The intent of the Reverse Stock Split is to increase the number of authorized but unissued shares of Common Stock and thereby to better position the Company for a merger or acquisition.

If the Reverse Stock Split is approved by the Shareholders at the Meeting, it will become effective upon filing the appropriate amendment to the Company's Articles of Incorporation with the Colorado Secretary of State. The filing will be made as soon as practicable following approval by the Shareholders. The form of amendment to the Articles of Incorporation is attached as Exhibit A, and reference is made to the Amendment for the complete terms thereof.

Purposes And Effects Of The Reverse Stock Split

The Company's Articles of Incorporation authorize the issuance of fifty million (50,000,000) shares of Common Stock, no par value. As of the Record Date, 25,182,245 shares of Common Stock were issued and outstanding. Consummation of the Reverse Stock Split will not alter the number of authorized shares of Common Stock, which will remain fifty million (50,000,000) shares. The Reverse Stock Split will reduce the number of shares of Common Stock outstanding from 25,182,245 shares (as of the Record Date) to approximately 251,823 shares

(assuming that no additional shares of Common Stock are issued by the Company after the Record Date) and will increase the number of authorized and unissued shares of Common Stock from 24,817,755 (as of the Record Date) to approximately 49,748,177 (assuming that no additional shares of Common Stock are issued by the Company after the Record Date). Therefore, the Reverse Stock Split will better position the Company for a merger or acquisition by enabling the Company to issue a larger number of shares in such a transaction. The Common Stock will continue to be no par value common stock following the Reverse Stock Split.

3

At the Effective Date, each share of Common Stock of the Company issued and outstanding immediately prior thereto (the "Old Common Stock"), will be reclassified as and changed into one (appropriate fraction) of a share of the Company's Common Stock, no par value per share (the "New Common Stock"), subject to the treatment of fractional share interests as described below. Shortly after the Effective Date, the Company will send transmittal forms to the holders of the Old Common Stock to be used in forwarding their certificates formerly representing shares of Old Common Stock for surrender and exchange for certificates representing whole shares of New Common Stock. No certificates or scrip representing fractional share interests in the New Common Stock will be issued, and no such fractional share interest will entitle the holder thereof to vote or to any rights of a shareholder of the Company. In lieu of any such fractional share interest, each holder of Old Common Stock who would otherwise be entitled to receive a fractional share of New Common Stock will, in lieu thereof, receive one full share upon surrender of certificates formerly representing Old Common Stock held by such holder.

Federal Income Tax Consequences of the Reverse Stock Split

The following is a summary of the material federal income tax consequences of the proposed Reverse Stock Split. This summary does not purport to be complete and does not address the tax consequences to holders that are subject to special tax rules, such as banks, insurance companies, regulated investment companies, personal holding companies, foreign entities, nonresident alien individuals, broker-dealers and tax-exempt entities. This summary is based on the Internal Revenue Code of 1986, as amended (the "Code"), Treasury regulations and proposed regulations, court decisions and current administrative rulings and pronouncements of the Internal Revenue Service ("IRS"), all of which are subject to change, possibly with retroactive effect, and assumes that the New Common Stock will be held as a "capital asset" (generally, property held for investment) as defined in the Code. Holders of Old Common Stock are advised to consult their own tax advisers regarding the federal income tax consequences of the proposed Reverse Stock Split in light of their personal circumstances and the consequences under state, local and foreign tax laws.

1. The reverse split will qualify as a recapitalization described in Section 368(a)(1)(E) of the Code.
2. No gain or loss will be recognized by the Company in connection with the reverse split.
3. No gain or loss will be recognized by a Shareholder who exchanges all of his shares of Old Common Stock solely for shares of New Common Stock.
4. The aggregate basis of the shares of New Common Stock to be received in the Reverse Stock Split (including any whole shares received in lieu of fractional shares) will be the same as the aggregate basis of the shares of Old Common Stock surrendered in exchange therefor.
5. The holding period of the shares of New Common Stock to be received in the Reverse Stock Split (including any whole shares received in lieu of fractional shares) will include the holding period of the shares of Old Common Stock surrendered in exchange therefor.

4

THE FOREGOING SUMMARY IS INCLUDED FOR GENERAL INFORMATION ONLY. ACCORDINGLY, EACH HOLDER OF COMMON STOCK OF THE COMPANY IS URGED TO CONSULT WITH HIS OWN TAX ADVISER WITH RESPECT TO THE TAX CONSEQUENCES OF THE PROPOSED REVERSE STOCK SPLIT, INCLUDING THE APPLICATION AND EFFECT OF THE LAWS OF ANY STATE, MUNICIPAL, FOREIGN OR OTHER TAXING JURISDICTION.

Board Recommendation

The Board recommends a vote FOR the adoption of the Reverse Stock Split and the amendment to the Articles of Incorporation to effect the Reverse Stock Split and each of the resolutions with respect thereto set forth in Exhibit B hereto.
