AUGUST 17, 2004

SHAREHOLDERS ACTION

The Majority Shareholders will submit their consents to the shareholder resolutions described in this Information Statement on or about August 17, 2004, to be effective as of September 22, 2004. As of July 30, 2004, the Majority Shareholders held of record 99,691,525 shares of the Company's common stock, par value \$0.001 per share, or approximately 58% of the total issued and outstanding common stock of the Company. The remaining outstanding shares of common stock are held by several hundred other shareholders.

The Majority Shareholders consist of Jonathan Lei, the President, Chief Financial Officer, Secretary, and Chairman of the Board of Directors of the Company, Louie Ucciferri, a director of the Company, and Tom Djokovich, a director of the Company. See "SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS."

Holders of the common stock of record as of July 30, 2004 are entitled to submit their consent to the shareholder resolutions described in this Information Statement, although no shareholder consents other than that of the Majority Shareholders are required to be submitted in order for the resolution to be adopted. The Company is not soliciting consents or proxies and shareholders have no obligation to submit either of them. Whether or not shareholders submit consents should not affect their rights as shareholders or the prospects of the proposed shareholder resolutions being adopted. The Majority Shareholders will consent to all of the shareholder resolutions described in this Information Statement. Other shareholders who desire to submit their consents must do so by September 22, 2004, and once submitted will not be revocable. The affirmative vote of the holders of a majority of the outstanding common stock of the Company is required to adopt the resolutions described in this Information Statement. California law does not require that the proposed transaction be approved by a majority of the disinterested shareholders. A total of 172,399,614 shares of common stock will be entitled to vote on the Company's proposed transactions described in this Information Statement.

THE COMPANY AND THE TRANSACTION

The Company has its executive offices at 6144 Calle Real Suite 200, Santa Barbara, California 93117, and its telephone number is (805) 683-7626. As described in the accompanying NOTICE OF ACTION TO BE TAKEN BY THE SHAREHOLDERS, the Company proposes to authorize the officers and directors of the Company to amend the Company's Articles of Incorporation to increase the number of authorized shares of the Company's common stock to 495,000,000, par value \$0.001 per share, and the number of authorized shares of the Company's preferred stock to 5,000,000, par value \$0.001 per share (the "Amendment").

The Board of Directors of the Company voted unanimously to implement the Amendment. The Board of Directors believes that the implementation of the Amendment will help to facilitate a future business combination with an operating company. The Company is not expected to experience a material tax consequence as a result of the Amendment. Increasing the number of authorized shares of the Company's common stock may, however, subject the Company's existing shareholders to future dilution of their ownership in the Company.

Under the Nevada General Corporation Law and the Company's Articles of Incorporation, as amended, the Company's directors will have no personal liability to the Company or its stockholders for monetary damages incurred as the result of the breach or alleged breach by a director of his "duty of care". This provision does not apply to the directors' (i) acts or omissions that involve intentional misconduct or a knowing and culpable violation of law, (ii) acts or omissions that a director believes to be contrary to the best interests

of the corporation or its shareholders or that involve the absence of good faith on the part of the director, (iii) approval of any transaction from which a director derives an improper personal benefit, (iv) acts or omissions that show a reckless disregard for the director's duty to the corporation or its shareholders in circumstances in which the director was aware, or should have been aware, in the ordinary course of performing a director's duties, of a risk of serious injury to the corporation or its shareholders, (v) acts or omissions that constituted an unexcused pattern of inattention that amounts to an abdication of the director's duty to the corporation or its shareholders, or (vi) approval of an unlawful dividend, distribution, stock repurchase or redemption. This provision would generally absolve directors of personal liability for negligence in the performance of duties, including gross negligence.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling the Company pursuant to the foregoing provisions, the Company has been informed that in the opinion of the Securities and Exchange Commission, such indemnification is against public policy as expressed in the Act and is therefore unenforceable.

Employment Agreements

The Company has an at-will employment agreement with Brian Fox, the Chief Information Officer of the Company, providing that upon a termination of his employment by the Company without cause and only after \$5,000,000 of venture or institutional capital has been raised, Mr. Fox would be entitled to severance pay and continuing health insurance for six months after termination, and vesting of those of his unvested stock options that would vest during that six month period. The Company may enter into employment agreements with other employees in the future.

Board Committees

The Board of Directors has appointed an Audit Committee. As of July 30, 2004, the sole member of the Audit Committee is Tom Djokovich. Mr. Djokovich is independent, as that term is used in Item 7(d)(3)(iv) of Schedule 14A under the Securities and Exchange Act of 1934, as amended (the "Exchange Act"), and a financial expert, as that term is defined in Item 401 of Regulation S-B under the Exchange Act. The Audit Committee is authorized by the Board of Directors to review, with the Company's independent accountants, the annual financial statements of the Company prior to publication, and to review the work of, and approve non-audit services preformed by, such independent accountants. The Audit Committee will make annual recommendations to the Board for the appointment of independent public accountants for the ensuing year. The Audit Committee will also review the effectiveness of the financial and accounting functions and the organization, operations and management of the Company. The Audit Committee was formed on April 19, 2003. The Audit Committee held four meetings during fiscal year ended June 30, 2004.

-5-

As of July 30, 2004, the Company has not yet appointed a Compensation Committee or a Nominating Committee. The Company is a small late stage development company with only three Board members. The Board believes that it would be burdensome to form a separate Nominating Committee at this time. Each of the Company's three Board members participates in the consideration of director nominees. Although the Company has not adopted a specific policy with regard to the consideration of director candidates recommended by security holders, the Board will consider candidates who are experts in the Company's industry and have the ability to refer new business to the Company.

Meetings and Compensation of Directors

Directors receive no cash compensation for their services to the Company as directors, but are reimbursed for expenses actually incurred in connection with attending meetings of the Board of Directors. The Board of Directors held four meetings during fiscal year ended June 30, 2004.

Compliance with Section 16(A) of Exchange Act

Section 16(a) of the Exchange Act requires the Company's officers and directors, and certain persons who own more than 10% of a registered class of the Company's equity securities (collectively, "Reporting Persons"), to file reports of ownership and changes in ownership ("Section 16 Reports") with the Securities and Exchange Commission (the "SEC"). Reporting Persons are required by the SEC to furnish the Company with copies of all Section 16 Reports they file.

Based solely on its review of the copies of such Section 16 Reports received by it, or written representations received from certain Reporting Persons, all Section 16(a) filing requirements applicable to the Company's Reporting Persons during and with respect to the fiscal year ended June 30, 2004 have been complied with on a timely basis.

None.
