THE COMPANY AND THE TRANSACTIONS

PROPOSED SHAREHOLDER ACTION

Warp 9, Inc. has its executive offices at 6500 Hollister Avenue, Suite 120, Santa Barbara, California 93117, and its telephone number is (805) 964-3313. As described in the accompanying NOTICE OF ACTION TO BE TAKEN BY THE SHAREHOLDERS, Warp 9 proposes to amend its Articles of Incorporation (the "Certificate of Amendment") in order to effect a one-for-five reverse stock split of all issued and outstanding common stock of Warp 9 for shareholders of record on the date the Certificate of Amendment is recorded. No fractional shares will be issued. If the reverse stock split would result in the issuance of a fractional share to any shareholder, the number of shares issuable to the shareholder will be rounded down to the next lower whole number of shares. The authorized capital stock of Warp 9 consists of 495,000,000 shares of common stock, par value \$0.001 per share, of which approximately 96,135,126 shares will be issued and outstanding after the reverse stock split becomes effective, and 5,000,000 shares of preferred stock, par value \$0.001 per share, none of which are issued or outstanding. Warp 9's shareholders do not have dissenter's rights with respect to the reverse stock split.

The Board of Directors of Warp 9 voted unanimously to implement the Certificate of Amendment because the Board of Directors believes that effecting a one-for-five reverse stock split of all issued and outstanding common stock of Warp will allow Warp 9 to raise the capital necessary for Warp 9 to grow its business or to acquire other businesses in the future, which may require Warp 9 to issue a significant number of additional shares of its common stock. Warp 9 has not currently identified any acquisition candidates.

Warp 9 is not expected to experience a material tax consequence as a result of the Certificate of Amendment. Effecting the reverse stock split may, however, subject Warp 9's existing shareholders to future dilution of their ownership and voting power in Warp 9 because more authorized but unissued stock will be available to Warp 9.

#### SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth the names of Warp 9's executive officers and directors and all persons known by Warp 9 to beneficially own 5% or more of the issued and outstanding common stock of Warp 9 at April 7, 2011. Beneficial ownership is determined in accordance with the rules of the Securities and Exchange Commission. In computing the number of shares beneficially owned by a person and the percentage of ownership of that person, shares of common stock subject to options held by that person that are currently exercisable or become exercisable within 60 days of Warp 9 are deemed outstanding even if they have not actually been exercised. Those shares, however, are not deemed outstanding for the purpose of computing the percentage ownership of any other person. The percentage ownership of each beneficial owner is based on 480,675,630 outstanding shares of common stock. Except as otherwise listed below, the address of each person is c/o Warp 9, Inc., 6500 Hollister Avenue, Suite 120, Santa Barbara, California 93117. Except as indicated, each person listed below has sole voting and investment power with respect to the shares set forth opposite such person's name.
